

Audio/Visual Repair Technician

Absolute Production Services is a Chicago-based, turnkey event production company. Offering services locally and globally, for small businesses to some of the most well-recognized brands in the world, we have been a leader in event production for nearly three decades. Our success is possible because of our relentless focus on three cornerstones that define the company: people, process, and relationships.

We are currently looking for a part time/as needed electronics repair technician to add to our expanding freelance list. An ideal candidate has a strong understanding of electrical circuitry, audio signal flow, and circuit board troubleshooting and repair. Candidate must have prior experience and be proficient at soldering, circuit board replacement, electrical wiring and more. Equipment includes projectors, video converters, audio speakers, microphones, light fixtures, tv monitors, audio visual cables, etc.

Candidate must be self-motivated, have a positive attitude and a keen attention to detail. Audio visual experience is a major plus. The position is over-hire, as needed. Hourly rate is based on experience and qualifications.

Required:

- Flexible and positive attitude
- Attention to detail and safety
- Proficient with soldering
- Ability to troubleshoot and identify broken parts
- Ability to quickly learn on the job
- Very detail oriented

Preferred:

- AV/Live event knowledge

Responsibilities:

- Triage, log and assess broken gear
- Work with Director of Operations to come up with repair plan
- Research and find replacement parts
- Install and replace parts to get gear in working condition

Absolute is an equal opportunity employer.
